## Apportionment of the rent charge in lieu of Tithes in the Parish of Stokeinteignhead in the County of Devon

Whereas an Award of rent charge in lieu of Tithes in the Parish of Stokeinteignhead in the County of Devon was on the twenty sixth day of October in the year one thousand eight hundred and forty two confirmed by the Tithe Commissioners for England and Wales of which Award with the Schedule therein comprised the following is a Copy

**Know all Men** by these Presents Whereas I George Louis have been duly appointed and sworn an Assistant Tithe Commissioner according to the provisions of the Act for the Commutation of Tithes in England and Wales and have been also duly appointed to ascertain and award the sums to be paid by way of rent charges instead of tithes of the Parish of Stokeinteignhead in the County of Devon

And Whereas I have held divers meetings in the said Parish touching the matter aforesaid of which meetings due notice was given for the information of the Landowners and Titheowners of the said Parish

And Whereas I have duly considered all the allegations and proofs tendered to me by all parties interested and have myself made all inquiries touching the premised subject which appeared to me to be necessary

And Whereas I find that the estimated quantity in Statute measure of all the Lands of the said Parish the whole of which are subject to the payment of tithes amounts to Two thousand and eighty two Acres which are culthved as follows that is to say

One thousand six hundred and ninety six Acres and eighteen perches as Arable  
Two hundred and thirty one acres two roods and fourteen perches as meadow and pasture  
One hundred and thirty four acres three roods and eight perches as Orchard  
Nineteen acres two roods as plantation

And Whereas I find that all the tithes arising from the Glebe Lands of the said Parish containing by estimation thirty eight acres two roods and eleven perches have been declared to be duly merged and that such declaration of merger has been duly confirmed by the Tithe Commissioners for England and Wales

And Whereas I find that all the Lands of the said Parish except the said Glebe Lands are subject to payment of all manner of tithes in kind

And Whereas in estimating the clear annual value of the said tithes in the manner directed by the said Act of Parliament I have taken into account the rates and assessments paid in respect of such tithes during the seven years of average prescribed by the said Act

And Whereas I find that the Rector of the said Parish for the time being is entitled to all the tithes thereof

**Now Know ye** that I the said George Louis do hereby award that the annual sum of Four hundred and twenty nine pounds by way of rent charge subject to the provisions of the said Act shall be paid to the Rector of the said Parish for the time being instead of all the tithes arising from all the Lands of the said Parish except the Glebe

Such rent charge to be in lieu not only of all tithes payable in kind but also in lieu of all moduses and Compositions real and prescriptive or Customary payments payable in respect of all the Lands of the said Parish of Stokeinteignhead

In Testimony whereof I have hereunto subscribed my hand this thirtieth day of September in the year of our Lord One thousand eight hundred and forty two

Signed  
George Louis

And whereas a Separate Award by way of Supplement to the foregoing Award was on the thirty first day of July one thousand eight hundred and forty five confirmed by the said Tithe Commissioners of which Separate Award the following is a copy.

Whereas an Award commuting the Tithe of the Parish of Stokeintighthead in the County of Devon for the rent charge therein specified has been confirmed by us the Tithe Commissioners for England and Wales but the Apportionment of the said rent charge has not yet been confirmed.

And Whereas no time is fixed in or by the said Award for the commencement of the said Rent Charge.

And Whereas We have held a Meeting of which due Notice was given for the information of the Land owners and Tithe owner of the said Parish and have ascertained that the said rent charge ought to commence from the first day of April next preceding the confirmation of the Apportionment thereof.

Now We the Undersigned Tithe Commissioners for England and Wales do hereby make this our Separate Award by way of Supplement to the said hereinbefore mentioned Award that is to say,
